ALABAMA LEGISLATIVE ACCESS 2018

The Alabama Legislative Access 2018 Campaign (ALA2018) is underway! 2018 will mark the next election of Alabama's constitutional officers, including Governor and Lieutenant Governor, as well as the entire Alabama Legislature.

AL-D-PAC needs your assistance in maintaining the political strength and recognition we have earned over the years. With two levels of Club membership, it's easy to choose the level of participation that's right for you. Your membership in the 1K or 2K Club over the next four years will enable Your PAC to continue to grow dentistry's strong relationship with Alabama Legislators and constitutional officers. We must enhance the strength of our PAC as we face increasing threats to our profession and patient care.

The 2018 elections will have long lasting effects on the dental profession. Remember, our relationship with these candidates could determine the future of our profession.
